BROWN, Chief Judge

This matter having been tried before this Court; and the parties having completed post-trial briefing on August 1, 2011; and for the reasons set forth in the accompanying bench opinion,

IT IS THIS, 6th day of September, hereby;

ORDERED that Apotex's proposed marketing of its generic product, as described in ANDA No. 78-868, on the facts presented before this Court, will not induce infringement of the patent; and it is further

ORDERED that U.S. Patent No. 6,455,557 is invalid because it lacks enablement; and it is further

ORDERED that Judgment is hereby entered in favor of Defendants Apotex, Inc. and Apotex Corp.
